- ☒ Through terminal blocks

Product Show

Model: CP300J-01-350/381

Product Description

Pitch 3.50/3.81mm

Poles 2-24Pin

Material

Outer covering PA66, UL94, V-0

Pin needle Brass, nickel plating

Electrical

Fixed voltage 300V

Fixed electric current 8A

Labor frequency is able to bear voltage AC2500V, 1Minute

Insulation impedance DC500V, 500M

Mechanical

-33--+105
